Description

The Conceptronic USB-C cable is the perfect companion for all your charging and data transfer needs! Designed with PD 3.0 technology and featuring an E-Mark chipset, this

cable delivers up to 100W (20V/5A) of power, ensuring safe and efficient charging for your devices. With lightning-fast data transfer speeds of up to 10Gbps, you can quickly sync your files without any delays. The durable braided cable is designed to withstand twists and tugs, making it a reliable choice for tight spaces or on-the-go use. Say goodbye to slow charging and data transfer speeds – upgrade your USB-C cable and experience the ultimate in convenience and efficiency!
